

COPYRIGHT TRANSFER FORM

The following Copyright Transfer becomes effective only after the paper is accepted for publication in IJMD

The authors must read and sign the following statements; all authors must complete this agreement and submit with the manuscript.

Conditions of submission retained rights: Except for copyright, other proprietary rights related to the Work shall be retained by the authors. To reproduce any text, figures, tables, or illustrations from the Work in future works of their own, the authors must obtain written permission from the IJMD; such permission cannot be unreasonably withheld by IJMD.

Originality: Each author warrants that his or her submission to the Work is original and that he or she has full power to enter into this agreement. Neither this Work nor a similar work has been published nor shall be submitted for publication elsewhere while under consideration by this Publication.

Authorship responsibility: Each author certifies that he or she has participated sufficiently in the intellectual content, the analysis of data, if applicable, and the writing of the Work to take public responsibility for it. Each has reviewed the final version of the Work, believes it represents valid work, and approves it for publication. Moreover, should the editors of the Publication request the data upon which the work is based, they shall produce it.

Disclaimer: Each author warrants that this Work contains no libelous or unlawful statements and does not infringe on the rights of others. If excerpts (text, figures, tables, or illustrations) from copyrighted works are included, a written release will be secured by the authors prior to submission, and credit to the original publication will be properly acknowledged. Each author warrants that he or she has obtained, prior to submission, written releases from patients whose names or photographs are submitted as part of the Work. If IJMD request copies of such written releases, authors shall provide them in a timely manner.

Transfer of copyright authors' own work: In consideration of the IJMD publication of the Work, the authors hereby transfer, assign, and otherwise convey all copyright ownership worldwide, in all languages, and in all forms of media now or hereafter known, including electronic media such as CD-ROM, Internet, and Intranet, to IJMD. If IJMD should decide for any reason not to publish an author's submission to the Work, the journal shall give prompt notice of its decision to the corresponding author, this agreement shall terminate, and neither the author nor IJMD shall be under any further liability or obligation. The authors grant IJMD the rights to use their names and biographical data (including professional affiliation) in the Work and in its or the Publication's promotion.

Work made for hire: If this work has been commissioned by another person or organization, or if it has been written as part of the duties of an employee, an authorized representative of the commissioning organization or employer must also sign this form stating his or her title in the organization.

Government employees: If this submission to the Work has been written in the course of the author's employment by a State Government, check the "Government" rubric at the end of this form. A work prepared by a government employee as part of his or her official duties is called a "work of the State Government" and is not subject to copyright. If it is not prepared as part of the employee's official duties, it may be subject to copyright.

Financial disclosure: Each author certifies that he or she has no commercial associations (e.g., consultancies, stock ownership, equity interest, patent-licensing arrangements, etc.) that might pose a conflict of interests in connection with the submitted article, except as disclosed on a separate attachment. All funding sources supporting the Work and all institutional or corporate affiliation so the authors are acknowledged in a footnote in the Work.

Institutional review board / animal care committee approval: Each author certifies that his or her institution has approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and humane principles of research.
